

We Breathed Life into the Future on November 11 National Afforestation Day

21.02.2025

1,000 Saplings Planted in Yenivakıf Village

As part of the November 11 National Afforestation Day, TB Sewtech Turkey planted 1,000 saplings in Yenivakıf Village, Çilimli, during an event organized by the Regional Forestry Directorate. This meaningful day was an important step for our company to contribute to nature and leave a greener future.

Hope for the Future, Breath for the World

With each sapling we planted, we felt the pride of breathing life into tomorrow and leaving hope for the world. TB Sewtech Turkey is determined to continue its eco-friendly projects and take steps towards a greener world.
