**Ömer Aydın and Merve Türkoğlu Represented Our Company in the Best Way**

We experienced great pride as TB Sewtech Turkey at the TB Group Global Skills Competition held in Toyota City, Japan. Ömer Aydın represented us in the Sewing Machine Maintenance category, while Merve Türkoğlu represented us in the Cover Production category.

We thank Ömer Aydın and Merve Türkoğlu, along with our translators, for their dedication and efforts, and we wish them continued success in the coming years.
